To Whom It May Concern:

I am happy to provide a letter of recommendation for Paul Talbot and his "Clear the Clutter and Simplify Your Life" seminar. He conducted two 3 hour sessions here at the City of Coquitlam in May 2008. Paul was highly entertaining and provided many excellent ideas and techniques on how to "de-clutter" in a variety of areas.

The sessions were attended by a total of 90 people and the response from the participants was enthusiastic. He provided a great inspiration to everyone for our first annual, organization-wide, "Clean-up Day" held the following week. Participants used many of Paul's tips and the day was a wonderful success.

Yours truly,
